

## Call for Papers (ISEM 2026)

### 8th International Symposium on the Environment and Morals (ISEM2026)

International Balkan University, North Macedonia

October 22–23, 2026

<https://i-sem.info>

The International Symposium on the Environment and Morals (ISEM), co-organized with Yıldız Technical University, warmly invites submissions for its 2026 edition, to be held at International Balkan University in North Macedonia from October **22 to 23, 2026**. The symposium will convene under the central theme: **“Environment and Morality in the Era of AI.”**

#### Aim and Scope

ISEM is a biennial academic symposium that brings together researchers, scholars, and professionals from diverse disciplines to explore ethical, environmental, technological, and policy issues with a special focus on the intersections shaped by emerging technologies, especially artificial intelligence. The symposium fosters interdisciplinary dialogue and collaborative research that addresses complex challenges facing ecosystems, societies, and ethical systems in the era of AI.

#### Publication Opportunities

Selected high-quality papers presented at ISEM2026 will be considered for publication in peer-reviewed indexed journals, such as:

- Journal of Agricultural and Environmental Ethics (SCIE, SSCI, AHCI – Q1)
- Environmental Research and Technology (Scopus, TR Dizin)
- Heritage and Sustainable Development (Scopus, DOAJ, ROAD)

#### Important Dates

Deadline for Abstract Submission: April 30, 2026

Additional dates, such as full paper deadline, acceptance notifications, and camera-ready due dates, will be announced on the symposium website.
