CYBER-SECURITY

BROUGHT TO YOU BY GLOBAL EXPERTS

ATLAS UNIVERSITY, ISTANBUL

NOVEMBER 14, 2025

10:00 AM - 12:00 PM

WHY.

Because Cybersecurity Is Not Optional Anymore.

In an era where digital resilience defines national strength, cybersecurity stands at the core of safe - guarding critical infrastructure, healthcare, mobility, and telecommunications.

HOW.

Practical. Tailored. Real.

We believe in learning from real-world cases, not theory. Our approach dives deep into actual threat scenarios, breaches, and recovery paths, ensuring that every session is relevant to your environment and sector.

WHAT.

Actionable Solutions & Lasting Security.

- Cyber Awareness Trainings & Conferences
- In-House Expert Trainings
- Immediate Leak and Breach Support
- Access to the Latest Technologies
