EIT HEI Initiative

Innovation Capacity Building for Higher Education

European Institute of Innovation & Technology

Funded by the European Union

DE-TECH ENTREPRENEURSHIP TRAINING AND MENTORING PROGRAMME CALL FOR APPLICATIONS

De-TECH invites students (bachelor, master's, PhD), academic staff (faculty and researchers), and non-academic staff (administrative, professional services) to apply for a 10-week structured entrepreneurship training and mentoring programme, aiming to build deep-tech entrepreneurial capacity across higher education institutions, equip you with fundamental business and innovation skills, and connect you with a strong European trainer and mentorship network.

Why should you apply?

- Gain hands-on experience in innovation management, market validation, and funding strategies
- Receive guidance from experienced mentors across Europe
- Connect with peers, corporates, and investors
- Earn a certificate of completion, with potential micro-credentials

Selection and Requirements

- Applicants must be affiliated with a university, evaluation is based on motivation, innovation potential and commitment.
- Mandatory active participation in weekly trainings and mentoring sessions
- A total of 60 hours study time (23 of in-class hours, 3 hours of Innotech Pills Videos and 20 hours of self-study, and pitching presentation preparation)
- Teams and individuals are welcome to apply
